Burt – Pete, Rita, and I spoke and we think it would be preferable for you
to have at this meeting Patrick Kelly, copied, and his team from our HDA
trade group rather than the individual distributor companies.

Thanks,
Sean

[External Email]

I would like to invite you to our office at 1001 Penna. Ave. NW, 13th Floor North at 2:30 PM on Monday the November 13th.

I will allocate the time from 2:30 to 4 for brainstorming to determine if there is anything the Washington Offices may be able to do from a public policy perspective to better educate, or impact Washington policy makers thinking with respect to the litigation brought by plaintiff's lawyers and states, cities, counties, and municipalities against the opioid supply chain. Please let me know if you can participate, and feel free to invite your colleagues or any consultants you may wish to bring.

Many thanks
Burt
